Piping & Hydraulics

GRP, HDPE, PVC pipes and network accessories.

GRP Pipe DN400 PN16

Ref. CFTS-HY-400

[Maghreb Pipe Industries](#)

GRP pipe for critical networks under high mechanical and chemical stress.

Nominal diameter	DN400
Nominal pressure	PN16
Stiffness	SN10000
Weight	18 kg/m
Length	12 m
Resin	Vinylester
Fibre	Glass type E and C
Manufacturing	Cross-wound helical winding

HDPE Pipe PN16

Ref. CFTS-HY-110

[ANABIB](#)

Technical reference available through the CFTS catalogue.

Availability	On request
--------------	------------

Hydraulics & Water Supply

Pumps, electropump units, motor pumps, tanks, piping (PVC, HDPE, GRP, cast iron, stainless steel) and hydraulic accessories.

DN100 Fire Hydrant

Ref. CFTS-HY-520

[ANABIB](#)

Technical reference available through the CFTS catalogue.

Availability	On request
--------------	------------

HDPE Electrofusion Machine

Ref. CFTS-HY-540

[ANABIB](#)

Fusion equipment ensuring durable tightness for HDPE networks.

Availability	On request
--------------	------------

Deep Submersible Pump

Ref. CFTS-HY-610

[ANABIB](#)

Technical reference available through the CFTS catalogue.

Availability	On request
--------------	------------

Fibreglass Fishing Pirogue

Ref. CFTS-HY-700

Maghreb Pipe Industries

Technical reference available through the CFTS catalogue.

Availability	On request
--------------	------------

AGRICULTURE

Agricultural Irrigation

Drip systems, sprinkler kits, sprinklers, irrigation filters, irrigation pipes and hoses.

Adjustable Dripper 0-100 L/H

Ref. CFTS-AG-360

ANABIB

Technical reference available through the CFTS catalogue.

Flow rate	0 to 100 L/H
Use	Micro-irrigation
Availability	On request

Fertigation Fertilizer Injector Kit

Ref. CFTS-AG-370

ANABIB

Technical reference available through the CFTS catalogue.

Availability	On request
--------------	------------

AGRICULTURE

Agricultural Equipment

Power tillers, mowers, rotary hoes, soil preparation tools and production equipment (Canary greenhouses).

Grillo G131 Power Tiller

Ref. CFTS-AG-310

GRILLO

Versatile diesel power tiller for traction, ploughing, and seedbed preparation.

Engine	13 HP diesel
Start	Electric
Wheels	5.00-12 agrarian
Tiller	70 to 85 cm adjustable
Gearbox	Slow/fast speeds + quick reverse
Use	Tillage, hilling, seedbed preparation

Grillo Fonio Mower

Ref. CFTS-AG-330

GRILLO

Harvesting solution suited to fine-stem crops such as fonio.

Availability	On request
--------------	------------

3-row Market Gardening Seeder

Ref. CFTS-AG-420

GRILLO

Technical reference available through the CFTS catalogue.

Availability

On request

Market Gardening Greenhouse Kit

Ref. CFTS-AG-450

Narcisa

Technical reference available through the CFTS catalogue.

Availability

On request
